CPR with AED & First Aid Trainings 2023

This training is geared toward employees who must be CPR and First Aid certified at their workplace. Attendees will demonstrate ability to administer hands-on CPR, steps to signal for assistance, and how to use an AED machine.

Participants can also expect to learn about burn care, laceration treatment, eye injury care, and other injuries commonly found in the workplace. This training, through HSI, requires recertification every two years and meets OSHA's standards.

All trainings will be held at: 5100 Prairie Parkway in Cedar Falls, Meeting Room 1
