

**Statistics, outside of facility counts and team members, which were updated October 2023, are based on the 2022 calendar year and do not include UnityPoint Health Community Network Hospitals.*

At UnityPoint Health® we provide care throughout Iowa, western Illinois and southern Wisconsin in our hospitals, clinics and home health settings. We are dedicated to making it easier to live well.

Finley Hospital

For over 130 years, Finley Hospital has been an integral part of the greater Dubuque community. As the first hospital in Dubuque, Finley has a long tradition of providing compassionate, quality health care in the communities we serve. Finley grew from a physician-led residential facility to a 126-bed, fully accredited hospital, and now, to a regional healthcare system that includes not only hospital services, but clinic and home services as well.

Wendt Regional Cancer Center

From early detection screenings and the latest treatment options, to emotional support and wellness programs for cancer survivors, Finley's

Wendt Regional Cancer Center provides state-of-the-art technologies and compassionate, understanding care. As part of the Integrated Cancer Center, the Wendt Center provides radiation oncology along side Grand River Medical Group's medical oncology clinic for the most comprehensive care experience. Leading cancer care in the tri-state area with advanced technology and expert care team designed to diagnose and treat the the most difficult cancer cases. The Wendt Center offers robust support services including nurse navigation to assist patients with a wide variety of needs through the cancer journey, and genetics counseling to help people who have a family history of cancer to understand their future cancer risks.

Visiting Nurse Association (VNA)

Since 1910, the Visiting Nurse Association (VNA) has worked collaboratively with Dubuque's private and public sectors, to reduce the spread of infectious disease, see that infants and children are properly immunized, educate people regarding healthy lifestyles, promote oral health, provide supportive services to elderly in their homes, offer parenting support, and so much more. Since 1997, the VNA has provided Public Health in Clayton County through the Elkader VNA office.

Foundation

The UnityPoint Health - Finley Health Foundation is a not-for-profit organization committed to generating resources for the sustainability and advancement of health care in Eastern Iowa. The

Foundation raises, manages and distributes funds that promote and support programs and services provided throughout the facilities of UnityPoint Health - Dubuque. Thoughtful gifts of all sizes make possible advancements in medical research, state-of-the-art equipment and programs that meet the specific needs of our community.

UnityPoint Clinic™

UnityPoint Clinic offers comprehensive services in walk-in care and specialty services. The team at UnityPoint Clinic focuses on prevention services, including wellness screenings and health education. The clinical teams are improving outcomes, lowering the number of hospital readmissions, and reducing avoidable costs associated with treating chronic conditions.

UnityPoint at HomeSM

UnityPoint at Home serves the critical role of coordinating with UnityPoint Clinic and UnityPoint Health hospitals to surround the patient with all the resources and care necessary to achieve wellness at home. Whether learning to manage a chronic disease, transitioning home from the hospital, or rehabilitating after an injury or surgery, UnityPoint at Home allows individuals to continue the level of care necessary to help restore health, well-being and independence all from the comfort of home.
