

IMPACT REPORT

NEXT LEVEL CARE 2023 CAPITAL INITIATIVES

As Siouxland's only Women and Children's Healthcare facility, UnityPoint Health® - St. Luke's takes pride in providing life-saving equipment, programs, and services for the more than 23,000 pediatric patient visits that walk through our doors each year. While we are best known for helping sick and injured children, additionally, we help support healthy pregnancies and deliveries at Siouxland's Premier Birth Center, and through our Maternal and Fetal Medicine Clinic.

We are asking for your help to fund a few key pieces of equipment with a

CAMPAIGN GOAL
OF
\$ 275,000

Ultrasound Equipment for High-Risk Pregnancies

The GE Voluson Expert 22 ultrasound will allow sonographers to collect more information at record speeds for faster, sharper, and clearer images. This technology will improve detection rates, identify abnormalities, and increase pelvic health.

Pediatric Dental Surgery Instruments

In 2022, UnityPoint Health - St. Luke's general surgery department provided care for 413 pediatric patients who needed dental procedures completed while under general anesthesia, such as teeth cleaning, tooth extraction, cavity fills, and more. This form of treatment allows a child to experience no pain during the procedure, while also permitting dentists to restore teeth fully and completely without concern of injuring a child who may be unable to cooperate or sit still in a chair during treatment.

Ear, Nose and Throat Scope

The DIEGO ELITE Multidebrider is a multipurpose ENT shaver system designed to offer surgeons improved choice on how to perform pediatric surgeries, while at the same time offering features aimed at improving surgical efficiency. Through funding of the upgrade scope, advanced techniques can be used to treat both common and rare conditions related to breathing and the airway, feeding and swelling, voice and speech, nose and sinuses and sleep.

With your gift, St. Luke's can continue to provide the best outcome for our tiniest patients when they need it most, right here at home.

MAKE YOUR GIFT TODAY!

GOLFING FOR A GOOD CAUSE

Our 13th Annual UnityPoint Health - St. Luke's Foundation Golf Invitational, held on July 14, brought the Siouxland community together to raise funds for UnityPoint Health - St. Luke's, St. Luke's College, and Children's Miracle Network.

The event, held at the Sioux City Country Club, included lunch, 18-holes of golf, course games, prizes, and a patio party with live music.

The generosity of 144 golfers, 36 teams and 29 sponsors will provide funding to maintain advances in health care education, facility expansion, and improve patient care. Thank you to our amazing donors and supporters for helping us **raise over \$73,000** for UnityPoint Health - St. Luke's!

We hope to see everyone again next year on Monday, July 22, 2024.

FALL IS FOR TAILGATES
