APPLICATION MATERIAL

Send all application material to Cassie Hartgrave, MLS Program Director, at the address listed above:

- **Official Application**- available on the program website; complete, print and sign before mailing
- A non-refundable **application fee of \$50**, payable to St. Luke's Hospital MLS Program
- **Essential Requirements**- available on the program website; review, print and sign before mailing
- **Official College/University transcripts**-must have a 2.50 GPA to be considered
- **Reference forms (3)**- available on the program website. Instructions are included on who to complete and send. Two of the references are to be from college science professors or clinical laboratory science advisors and the third reference from a former/current employer.

INTERVIEW

An interview will be granted after all application material has been evaluated and application is deemed eligible for an interview. The program selection committee reserves the right to limit the number of interviews granted.

PREREQUISITES FOR ADMISSION

- Overall GPA of 2.50, GPA of 2.50 in required science courses
- Complete all prerequisites before entrance into the program, courses may be in progress at the time of application
- Required Biology courses
 - General Biology
 - Microbiology
 - Human Anatomy/Physiology
 - Genetics or Molecular Biology
- Required Chemistry courses
