

Partnering in Health

A YEAR OF
gratitude

2022 ALLEN FOUNDATION
ANNUAL REPORT

UnityPoint Health
Allen Foundation

welcome

Partnering in Health.

In 2022, we saw an entirely new level of support from the local community. More than 1,600 donors made a gift last year to the Allen Foundation. This marks the largest donor count since at least 2001!

The support totaled nearly \$3.4 million in philanthropic dollars for Allen Hospital, Allen College and a variety of UnityPoint Health entities in the Cedar Valley. Donors like you are at the center of what we do, and your gifts allow Allen to serve the healthcare needs of our community.

Philanthropy remains strong in the Cedar Valley and specifically for the Allen Foundation. Your gifts are a wise investment to the Allen Foundation as donations in 2022 resulted in a return on investment of 3.9 times!

With a variety of financial challenges that many hospitals and health systems are facing nationwide, your support has been more important than ever before. Thank you for giving to Allen Foundation. We look forward to continuing to provide excellent healthcare services for many years to come.

With Gratitude

prairie parkway garden

Grows with Help from Cedar Falls Lions Club

Six years ago, local Cedar Falls Lions Club member Rich Congdon had a vision. He saw a need in the community to educate diabetics how to live healthier lives through nutrition and exercise.

The longtime Lion approached UnityPoint Clinic about developing a garden at the new UnityPoint Health – Prairie Parkway facility. His vision was a hands-on learning center for those with diabetes and other health concerns, as well as those who shared an interest in the benefits of a healthy diet.

UnityPoint Clinic jumped at the opportunity and the garden took shape before the end of 2018. Better yet, it's continued to grow.

Congdon, a master gardener, oversees the space with the help of many Lions and other community volunteers. The group hosts regular classes for the community, showing the benefits of growing, preparing and eating healthy foods. These classes are held at the garden site, as well as in a classroom and kitchen inside the Prairie Parkway facility. In total, more than 10,000 volunteer hours have been invested in the garden site.

"Our story is one of hope - the service of the garden is to make a difference in people's lives," says Congdon.

"We're helping to educate the world on the need for diabetic research, programs and initiatives. As the garden developed, we realized we could help those with serious conditions, like heart disease, kidney disease, blindness and dementia."

"Our goal is to bring joy and hope into people's lives. In these strange times, it's more important than ever that we come together, engage and inspire the community we live in. Together, we can do this."

In October 2022, the garden was officially dedicated with an event featuring appetizers and fresh pressed cider. This occasion served as a chance to commemorate the John Glascock Memorial Orchard, as well as the unveiling of new signage for the garden. UnityPoint Clinic physician, Dan Glascock donated over 50 fruit trees in memory of his father as part of the garden's expansion throughout the year.

If you'd like to roll up your sleeves and put your hands in the soil, visit www.parkwaygarden.org for classes and volunteer opportunities. To support the Prairie Parkway Garden, contact the Allen Foundation at (319) 235-3960.

Exceeding Our Goal on giving tuesday

On November 29, 2022, the Allen Foundation participated in Giving Tuesday with a goal to raise funds toward a special project – a PET/CT scanner on-site at Allen Hospital. While we currently provide this service, it's performed in a mobile unit that is only available at the hospital twice a week.

PET/CT is a growing area of nuclear medicine, cardiovascular services and our oncology service line among others. This type of scanner helps identify concerns like cancer, heart disease, epilepsy, Alzheimer's Disease and dementia and scans are much less invasive and expensive for the patient than exploratory surgery.

At present, PET/CT predominately serves Allen Hospital's oncology services by providing imaging to better assess cancer staging, tumor growth and recurrence. Since early detection of cancer is a priority, a provider often orders a scan for the following day. If the current mobile unit is not available, consistency in local care is interrupted, as the patient would need to find access outside of the Cedar Valley for a timely scan. Additionally, when cancer is detected, PET/CT plays an important role in monitoring the progress of the disease, which may mean a change in treatment. Therefore, having access five days a week is critical to our patients.

Thanks to many, we're excited to announce that more than \$28,000 was donated on Giving Tuesday in support of the on-site scanner – exceeding our goal of \$25,000 and kicking off our ongoing fundraising efforts for the project! During the one-day event, we received two exciting opportunities to have gifts matched. We hosted a power hour from noon to 1 p.m., when an anonymous donor matched up to \$1,000. Then, from 5 to 6 p.m., all gifts made up to \$3,000 were matched by Zach French, our Regional Vice President of Finance. We thank everyone who contributed to this important project, which furthers our mission of providing the best outcome for every patient, every time.

It's not too late. You can still support the project:

- Scan the QR code below
- Call the Allen Foundation at (319) 235-3960
- Mail your gift to:
Allen Foundation,
1825 Logan Ave.,
Waterloo, IA 50703

Pauline R. Barrett Charitable Foundation Establishes new scholarship

Pauline Barrett supported many causes in her lifetime, but education and healthcare were the areas she prioritized. After Pauline passed away, her advisors established the Pauline R. Barrett Charitable Foundation to allow her incredible legacy and generosity to continue.

The organization provides grants twice a year to a variety of local causes and projects while still focusing on the areas Pauline cared for the most. The Allen Foundation continues to benefit from her vision today.

In late summer of 2022, the grant committee of the Pauline R. Barrett Charitable Foundation met with Allen Foundation and Allen College to share a desire to help with the local nursing shortage through the establishment of an endowed scholarship. The scholarship was formally established in December and gives preference to students graduating from a high school in Black Hawk County, as well as those graduating from schools in Northeast Iowa.

"The members of the grant committee of The Pauline R. Barrett Charitable Foundation are very pleased that we were able to work with Mrs. Barrett on philanthropic gifts during her lifetime and are pleased to continue her philanthropic efforts in the Cedar Valley. We were able to discuss them with her in detail during her lifetime in an effort to stay true to her vision. We continually refer to this background in determining current gifts," shared the Grant Committee.

Thanks to Pauline's generosity, Allen College provides further financial support to local students pursuing a nursing career.

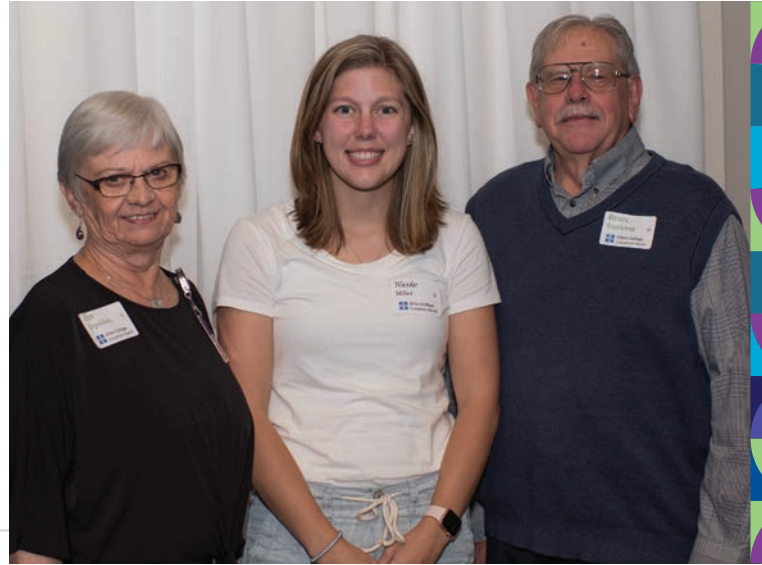

To learn more about establishing a scholarship at Allen College, contact the Allen Foundation at (319) 235-3960.

Allen College Scholarship Dinner Returns and Sees Great Attendance

For the first time since 2019, Allen College and Allen Foundation hosted the annual scholarship dinner. Approximately 170 attended between donors and scholarship recipients.

The event included dinner and a brief program with updates from Mike Lind, Executive Director of the UnityPoint Health - Allen Foundation, and Jared Seliger, President of Allen College. More than \$909,000 has been awarded to 274 students in Allen College institutional scholarships for the 2022-23 academic year. Awards ranged from \$250 to \$14,700 depending on enrollment status, financial need and cost of program, along with other qualifications specified in the scholarship.

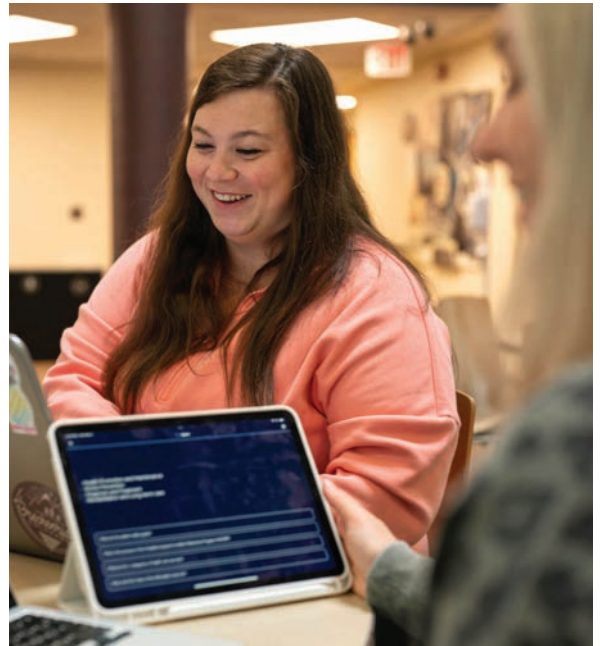

Interested in establishing a scholarship at Allen College? We'd love to hear from you. Contact Allen Foundation at (319) 235-3960.

Allen College Receives Grant Funding to Support Future Psychiatric Mental Health Providers

Allen College is honored to be the recipient of a grant from the Iowa Department of Health and Human Services which supports educating graduate nursing students to become Psychiatric Mental Health Nurse Practitioners. The grant was awarded in 2021 and just completed the second of four years. This program was generously awarded \$100,000 in each of its first two years, and program staff anticipate similar support for our students during the remaining two years of the grant.

Dr. Jennifer Jass serves as project director and oversees grant activities including promoting the program to potential students and overseeing financial support to the program's students. To date, this grant has supported 51 students with \$160,246.57 of financial aid. Fifteen students have already completed their studies. These students will go on to help meet the need for mental health professionals in the Waterloo area and the state of Iowa.

To learn more about supporting students at Allen College, call the Allen Foundation at (319) 235-3960

allen legacy program

The Allen Legacy Program began in November 2020 with a goal to recruit and retain Allen College accelerated and traditional Bachelor of Science in Nursing (BSN) graduates on the Allen Hospital healthcare team. In exchange for a two-year commitment to work at the hospital, this program provides financial assistance up to \$20,000 to be applied to a participant's tuition bill after all financial aid has been applied, such as grants (with a minimum award of \$12,500).

An Allen Legacy Program endowment was initially funded in part by a donation from the estate of Keith Baskins. We're grateful for all donors who help make this program possible! Thank you for your commitment to Allen College and Allen Hospital. Your gifts are making it possible to retain high-quality healthcare providers for years to come.

"As a single mom, pursuing further education can have many barriers. Thanks to the Legacy Program, I was able to complete my nursing degree at Allen and secure a position post-graduation. I will forever be very thankful for the Legacy Program."

*– Katie Rueber
Legacy Recipient*

LEGACY RECIPIENTS

Eighteen BSN students accepted Allen Legacy Program offers in 2022.

The following nine BSN students from the Legacy Program joined our hospital team in 2022:

CLASS OF AUGUST 2022

Taylor Hedge Sadie Ruzicka

CLASS OF DECEMBER 2022

Kayla Carter Katie Rueber
Kyra Frost Carley Schmit
Alexandria Harms Mercede Tenge
Jennifer Wheatley

TOTAL DOLLAR AMOUNT AWARDED IN 2022

\$322,707

Allen College Receives \$1.2M Grant to Support rural health

In June, Allen College learned it would receive more than \$1.2M in grant funding to be dispersed over a three-year period. The grant represents part of the U.S. Department of Education's Rural Postsecondary and Economic Development Program and has allowed Allen College to start a Rural Student Success Program.

The Rural Student Success Program is designed to benefit rural high school students, their support systems, rural healthcare employers and institutions of higher education within 50 miles of Waterloo. Additionally, the program aims to increase rural partnerships and provides financial assistance specifically for students from rural areas. This type of long-term initiative will lead to an increase in rural student enrollment, retention and completion, while resulting in more qualified healthcare personnel in the workforce for years to come.

To coordinate all the grant activities, the college hired a rural grant coordinator, who started in October. The coordinator has already hosted student events at the critical access hospitals in Grundy Center, Independence and Sumner, as well as offering in-person events at multiple high schools and Allen College.

To learn more about opportunities at Allen College, call (319) 226-2000.

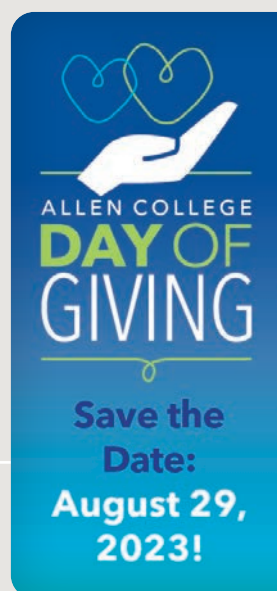

Allen College Day of Giving Supports new You Matter Award

Donations to the annual Allen College Day of Giving help provide the gift of education for students. In 2022, through a new You Matter Award, the Day of Giving provided financial assistance for tuition and fees to reduce some of the financial barriers of attending Allen College.

The event was held on August 30 and raised nearly \$23,000! The Day of Giving concluded with a celebration for local Allen College alumni at Doughy Joey's in downtown Waterloo.

If you are an Allen College alum and would like to get involved in events like the Allen College Day of Giving, contact us at (319) 235-3960.

hops for hospice returns!

Co-chairs, sponsors and attendees were thrilled to be back in person for the annual Hops for Hospice event. United Beverage and other local breweries and wine vendors made the night a success filled with comradery and stories of hospice hope.

Thanks to the leadership of our co-chairs, we were able to raise more than \$30,000 in support of UnityPoint Hospice Waterloo, their patients and families and programs like the G.I.F.T. fund, which helps hospice patients experience end-of-life wishes.

Please mark your calendars for Thursday, October 19, as the 2023 Hops event will feature entertainment by the local twosome, Brad & Kate. We've switched the event to a Thursday evening and we're moving to the Waterloo Center for the Arts. You won't want to miss out!

Thank you to our faithful sponsors, guests, and co-chairs Matt and Belinda Highland, Eric and Julie Ritland, and Dr. Eric Neverman and Alexa Hach.

To learn more about Hops for Hospice, or to make a gift in support of UnityPoint Hospice, contact Becky Dirks in the Allen Foundation at (319) 235-3960 or Rebeca.Dirks@unitypoint.org.

A YEAR IN REVIEW

3rd Annual Mental Health Awareness Breakfast

The 3rd Annual Mental Health Awareness Breakfast was a huge success! We continue to be amazed and thrilled with the outpouring of support by the community as nearly 700 people attended the event in 2022.

Our keynote speaker, Susan Rolinger, shared an inspiring message about her brother, Matthew, a well-known professional in the Cedar Valley who battled a methamphetamine addiction. While dealing with mental health issues for much of his life, Matthew became a victim to his addiction and passed away in 2021.

Community member Keegan Morrissey showed great bravery as he delivered words of hope for recovery from mental illness. Kathy McCoy and Joe Vich emceed the event, and it proved to be a powerful morning.

Thank you to event co-chairs Stacey Bentley, CEO of Community Bank and Trust, and the late Bette Wubbena, former Events Director for Grow Cedar Valley.

More than ever, it's important to support mental health services in our community. Supporters of the event responded to this need with more than \$100,000 donated to support the mission of the Black Hawk-Grundy Mental Health Center. These funds continue to directly impact patients receiving services, as well as the entire community.

Event co-chairs: the late Bette Wubbena (left) and Stacey Bentley.

Intensive Outpatient Program

In September, the Intensive Outpatient Program (IOP) was introduced. The program provides diverse counseling services by qualified mental health professionals. Managed by our treatment team, our purpose is to support the patient and their family with a focus on anxiety and depressive disorders.

The IOP centers around group therapy conducted by a variety of mental health professionals. Individual therapy conducted by a social worker will be provided, as needed, and referrals for follow-up care at the end of the program can be established. This program provides support and teaches effective coping strategies for the following life topics: grief and loss, depression, anxiety, self-defeating habits, communication, self-esteem and personal relationships.

Support and treatment provided through the IOP can help prevent hospitalization and provides a type of care appropriate for behavioral health patients.

Mental Health Walk-in Clinic Celebrates One-Year Anniversary

October marked the one-year anniversary of the new Mental Health Walk-in Clinic at Allen Hospital. In the first year of service, the clinic provided 1,600 appointments to community members struggling with mental health.

The clinic works much like an urgent care clinic, allowing those who need help with a mental health issue to get support in a timely manner.

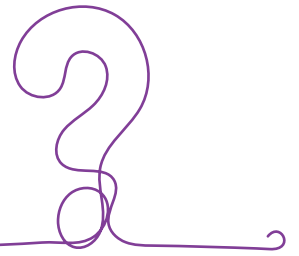

My Ascension

In October 2022, the Cedar Valley Coalition on Suicide Prevention and Support brought Emma Benoit to the Gallagher Bluedorn Performing Arts Center (GBPAC) for a community showing of her documentary *My Ascension*. The event was the result of a partnership with Alive and Running Iowa, the Community Foundation of Northeast Iowa, Black Hawk-Grundy Mental Health Center, Cedar Valley United Way and GBPAC. *My Ascension* is about Benoit's suicide attempt and road to recovery. Following the documentary, Benoit answered questions from those in attendance.

Benoit has become one of the nation's leading voices for suicide prevention. She has traveled the country with her story, and it's an important one for people to hear. The event drew more than 500 people, along with local mental health providers who shared information on their services to support those with a mental illness.

To learn more or to support our mental health services, call Allen Foundation at **(319) 235-3960**.

Did You Know Allen Foundation has a wish book

In conjunction with Allen Hospital, Allen College and other clinics and departments, Allen Foundation has created a Wish Book. The Wish Book represents some of the immediate healthcare needs in the Cedar Valley.

The Wish Book features more than 50 needs from a variety of inpatient units and other healthcare entities in the UnityPoint Health - Waterloo region. Some wishes are small and some are quite large, but each is important in sustaining the great healthcare provided by Allen Hospital. Wish amounts range from \$60 to \$1.4 million, and gifts of all sizes are greatly appreciated.

The Wish Book is also published online.

Visit unitypoint.org/waterloo/foundation to check it out for yourself!

If you'd like a copy of the Wish Book or if you have questions about a particular wish, contact a member of the Allen Foundation at (319) 235-3960.

Allen Foundation Welcomes New Team Member

Tammy Bedard joined the Allen Foundation in September as the Annual Gifts Coordinator. She brings knowledge and experience with 22 years as the Marketing Director for Gordon Flesch Company, formerly Advanced Systems, Inc.

In addition, she served as trustee and past president for MercyOne Waterloo Foundation and is an active member of the Grow Cedar Valley Ambassadors.

In her new role, Tammy provides marketing support and event planning for the Foundation, as well as Allen College.

She lives in Raymond with her husband, Chad, and has two adult children, Baylor and Tatum. Tatum is a May 2022 graduate of Allen College.

Russell S. Gerard, M.D. shared a lifetime of generosity, reaching out to others at Allen Hospital and throughout our community. Perhaps he has touched your life or the life of someone you know.

impact

Making a Difference

There exists a special partnership in providing the best of local healthcare. In addition to the many clinicians, physicians and other team members serving the Cedar Valley, that partnership includes a growing list of donors supporting our efforts and helping to make it all happen. It's with great gratitude that UnityPoint Health - Waterloo possesses the resources to take care of our own neighbors.

In 2022, we celebrated the largest number of donors we've seen in decades - 1,601 to be exact. Whether it's a gift of \$100 or \$100,000, each of these many donors made a major difference. Here are just a few examples of what your gifts helped us accomplish:

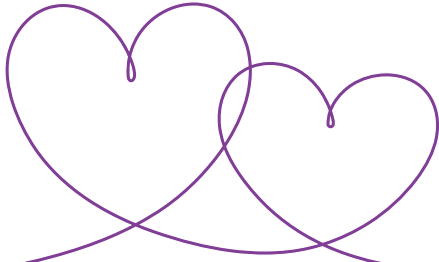

- Purchase of an ACIST device, offering increased safety and efficiency during procedures in cardiac services
- Further support of Allen Hospital's K-9 program
- Certifications and other professional development opportunities for nurses, as well as non-clinical team members
- A total of \$910,000 in Allen College student scholarships and awards distributed
- Equipment for the screening and treatment of clients in the Allen Child Protection Center
- Food and other supplies for the Allen College food pantry
- Ongoing support of our UnityPoint Hospice program in Waterloo
- Transportation for patients in need
- Partial funding of a new DaVinci surgical robot
- Crash carts for cardiovascular services at Allen Hospital
- Efforts toward suicide prevention offered by the Black Hawk-Grundy Mental Health Center
- Funding for Allen College's Summer Nurse & Health Careers Camp, which offers career exploration and college preparation for under-represented high school students in the Cedar Valley

- Wheelchairs specially designed for patients of UnityPoint Hospice
- Installation of large smart TVs in patient rooms on two different units at Allen Hospital
- Operational support of the Black Hawk-Grundy Mental Health Center
- Establishment of the Diversity, Equity & Inclusion Fund at Allen Foundation
- Granted end-of-life wishes, both big and small, for hospice patients and their families
- New exercise equipment for the cardiac rehabilitation program
- And much more!

In addition to the many generous gifts from individuals and businesses, Allen Foundation's Grant Services team secured \$5 million from 35 local, state and federal grant programs during 2022. Grant funding supports Allen Hospital's ongoing Child Protection Center, plus family planning and maternal health programs. Another grant allowed the hospital to join a state-wide Lifeline Stroke program.

Allen College grants support the ACE-SAP (Allen College Engagement & Salvation Army Partnership) Free Clinic and Summer Nurse & Health Careers Camp. Funding also was secured for two different recruitment programs - one for Psychiatric Mental Health Nurse Practitioner students and another for rural students. The Black Hawk-Grundy Mental Health Center benefits from grant funding in support of the School-Based Mental Health Program used in the Waterloo and Cedar Falls school districts, a Transition from Homelessness program, a Mental Health Re-entry program, and expanded community mental health services.

The vast majority of these grant dollars - 91% to be exact - come from state and federal sources that are awarded and paid directly to the institutions rather than Allen Foundation. Even so, Allen Foundation's investment in these efforts generates widespread and positive returns

across UnityPoint Health - Waterloo organizations and for the people and communities we serve.

Thank you for the opportunity to care for and serve the Cedar Valley! We could not accomplish our mission without you. If you are considering a gift to Allen Foundation in 2023, please consider the flexible giving options below:

- Gifts of cash or securities
- Pledges
- Memorials and tributes
- Gifts of grain
- Employee matching programs
- In-kind gifts
- Real estate gifts
- Retirement plan gifts
- Stock transfers
- Automatic withdrawal
- Donation of PTO (for employees only)
- Planned gifts, such as bequests or life insurance
- Charitable remainder annuity trusts
- Charitable gift unitrusts
- Charitable gift annuities
- Charitable lead trusts

* Allen Foundation is a nonprofit organization, and all donations qualify for available federal income tax deductions.

Contact us! If you would like to make a gift to Allen Foundation, attend an event or learn more about our current initiatives, we would love to hear from you.

Please contact Mike Lind, Executive Director of Allen Foundation, at (319) 235-3960 or michael.lind@unitypoint.org.

Complimentary Estate Planning Consultation

*Dr. Eddie Thompson,
Thompson & Associates*

Does your will accomplish everything you want? Is it up to date? Is it valid? Do you even have a will?

The Allen Foundation wants you to have the peace of mind that comes from knowing that you have a valid estate plan. We want you to have a will that works well for you.

When you name Allen Foundation in your will (or living trust) to receive a percentage of your estate, you make one final gift

to an organization you have supported during your life.

Allen Foundation offers complimentary estate planning assistance sessions with Dr. Eddie Thompson of Thompson & Associates. This free service also ensures you reduce or eliminate estate taxes so you can leave more to your loved ones and charitable organizations.

To find out more or to schedule your confidential appointment, call Allen Foundation at (319) 235-3960.

2022 family of donors

We are sincerely grateful to every donor who contributed to the Allen Foundation in 2022. This list includes Allen Foundation donors from January 1 - December 31, 2022. We make every effort to ensure the accuracy of names, and we apologize for any omissions or errors. If you find an error, contact Leann Hoffman at (319) 235-3960, or email Leann.Hoffman@unitypoint.org.

Donate to Educate Sees Major Success

More than \$26,000 was raised from the annual Donate to Educate event in 2022! The money raised benefits students at Allen College through scholarship assistance and campus enhancements.

The event remained as an online platform featuring a silent auction and raffle. Special thanks to all who participated, as well as the many sponsors who contributed to such a successful event. Donate to Educate is hosted by the Allen College Alumni Association.

To learn more about how you can support students at Allen College, contact the Allen Foundation at (319) 235-3960.

surgery!

Red Dress Gala Returns to In-Person Event

The Alpha Phi sorority at the University of Northern Iowa held the chapter's 14th Annual Red Dress Gala on Saturday, January 29, at the Waterloo Convention Center at Sullivan Brothers Plaza in Waterloo.

The event raised nearly \$8,000, and half the proceeds are given annually to Allen Hospital's cardiovascular services.

To learn more about the Red Dress Gala and other events that benefit UnityPoint Health - Allen Hospital, contact the Allen Foundation at (319) 235-3960.
