

St. Luke's Foundation 2024 Rural Healthcare Grant Application

The St. Luke's Foundation Rural Healthcare Grant Program supports:

- Equipment for emergency care in the pre-hospital environment
- Training for emergency personnel to gain or enhance their skills
- Basic, life-supporting training equipment such as Hand-Only CPR, Little Anne
- Mileage reimbursement for Transportation Programs

Eligibility

Applicants must be in a rural community serving Benton, Buchanan, Cedar, Delaware, Iowa, northern Johnson, Jones and Linn counties.

Eligible entities include Ambulance Services, Paramedics, Fire and Rescue Departments, Transportation Programs and First Responders.

St. Luke's Foundation provides grants to:

- Nonprofit organizations with a 501(c)(3) tax status with the U.S. Internal Revenue Service.
- Organizations that are part of a governmental unit (county, city, etc.) Documentation is required.
- If an entity is not part of the main government, provide a copy of the 28E Agreement.

Matching Grant Guidelines

Maximum grant request is \$6,000. The grant will not fund more than 50% of the grant project. The grant is made on a matching basis whereby St. Luke's Foundation will award one dollar for every \$1 raised between, January 1 to December 31 of the calendar year the grant is awarded. The deadline for matching this grant is December 31.

Grant Restrictions

The Foundation will not consider requests for:

- Basic infrastructure needs (vehicles, vehicle repairs, furniture)
- Fundraising events
- Capital campaigns
- Individuals
- Emergency or continued operating support
- Multiple year commitments
- Endowment campaigns
- Political advocacy, lobbying organizations

Application Deadline

Tuesday, May 28, 2024 at 3 p.m.

Print Name and Title of Authorized Official	Signature	Date
Print Name of Board Chair	Signature	Date

ORGANIZATION INFORMATION

Provide the organization's mission statement.

List the services this organization provides. (example: XYZ Fire Department provides fire, rescue and emergency medical service/EMT-B non-transport)

Define the organization's service area. (example: XYZ Fire Department serves 15,000 residents in 225 square miles of Northern XYZ County and a southern portion of ABC County. We serve the communities of ...)

If applicable, describe the major highways in the organization's service area and how they may impact the services provided. (example: The XYZ Fire Department service area includes Highways 2, 15 and 40 as well as several miles of paved and unpaved secondary roads. Highways 40 and 15 present a high-speed risk to motorists while Highway 2 is a popular motorcycle route in the summer.)

Describe any seasonal variances in the organization's service area and how they may impact the services provided. (example: XYZ Fire Department covers approximately 20 miles of the Big River, which includes Pine State Park, a popular attraction for hiking and swimming. Our department is responsible for providing rescue services. Big River is also prone to flooding, which can result in flooded roadways and stranded motorists.)

ORGANIZATION INFORMATION (continued)

Describe the organization's staffing. (example: XYZ Fire Department has 32 volunteers with 15 trained as EMS personnel. This includes 2 paramedics, 8 EMT-B and 5 first responders.)

Define the responsibilities of each of the personnel listed in the previous question. (example: EMT-Basic operates our ambulances in a safe manner. They provide beginning, non-invasive emergency care and give life support under the supervision of an EMT-Intermediate or paramedic. Some common medical treatments they perform are: controlling bleeding, bandaging injuries, splinting broken bones and using automated external defibrillators.)

If applicable, describe organization's service vehicles. (example: Three fire engines, two ladder trucks and two rescue vehicles.)

ORGANIZATION 2023 INCIDENT REPORT

Please breakdown the types and numbers of incidents/services this organization responded to in 2023.

Type of Incident	Number in 2023
(example: Structure fires)	191
(example: EMS/rescue calls)	500
(example: Round trip transports for older adults)	550

PROJECT INFORMATION

Describe the project the Rural Healthcare Grant would fund.

If you are purchasing equipment, please describe it and estimate how often (monthly/annually) it will be used in the field.

Describe the community's need for this project and/or piece of equipment. What issue(s) or problem(s) does this project address?

Provide the number and titles of current staff who will operate the equipment being requested. (example: 2 paramedics, 8 EMT-B)
If no current staff members can operate the equipment, please provide an implementation plan.

GRANT BUDGET

State the entire cost of the proposed equipment / project.

Maximum grant request from St. Luke's Foundation is \$6,000. The grant will not fund more than 50% of the project. The grant is made on a matching basis whereby St. Luke's Foundation will award one dollar (\$1) for every one dollar (\$1) raised between January 1 and December 31 of the calendar year the grant is awarded. The deadline for matching this grant is December 31.

**State the name and dollar amount of each funding source who will match this grant to support the project.
The St. Luke's Foundation grant can be matched through fundraisers (ie: pancake breakfast), another grant or a donation.**

Name of Funding Source	Amount (\$)	Funds are pending or secured?

If you are purchasing equipment, please attach a detailed quote for the item(s) and check here

PREVIOUS GRANT INFORMATION

Has this organization received a St. Luke's Rural Healthcare Grant in the past 5 years?

Yes No

If yes, for each grant received, please list the year, project funded, grant amount, and how the grant was matched.
